“THE KINGDOM, THE POWER & THE GLORY”

About DOC

WHAT THE RETREAT UNIQUE

Retreat participants and families meet in settings where they can reflect and explore their spiritual walk. The Southeastern DOC retreats are a family-friendly and provide a time to re-unite with family and friends both new and old.

The retreat speakers help spiritually guide, instruct, and uplift retreat participants. The worship time is filled with song and prayer as we raise a “joyful noise unto the Lord.” Participants laugh, share, and care for others, returning home refreshed and renewed.

WHO WE ARE

The Disciplined Order of Christ retreats bring people together in a spiritual pilgrimage. We recognize that all people are children of God and are therefore worthy of Christ’s love.

Through discussion and sharing, participants can explore their faith walk and discover common ground in the Spirit of Christ.

WHO WE TRY TO BE

Members of the DOC are those who seek to experience the transformation of the Holy Spirit in their lives, grow in faith, and share the good news of the Christian faith in their communities and areas of ministry.
