

## **“THE SCEPTER OF THE WICKED WILL NOT REMAIN OVER THE LAND”**

*“The scepter of the wicked will not remain over the land allotted to the righteous, so that the righteous will not apply their hands to do wrong.” - Psalm 125.3*

The election in the US is not yet over as several states are being re-counted and the possibility of deliberate mistaken counts is significant.

Today we can see a sharp division between those who want the USA to be a God fearing nation, honoring His ways and those who want it to be a completely secular, humanistic nation.

Let us keep on praying and believing with millions of other like-minded believers around the land. We can unite in agreement with Lance Walnau, Dutch Sheets, Chuck Pierce, Kevin Zada, Jeremiah Johnson, Hank Kunneman, Pat Robertson, Sid Roth, Intercessors for America and the millions of other believers across the nation and around the world who are praying for a spiritual victory in this election so that the scepter of atheistic humanism will not prevail.

The coming weeks are very important for the United States. This is the time for us to pray that the plans and schemes of the wicked will be exposed and brought into the light for the world to see and recognize. *“Have no fellowship with the unfruitful works of darkness, but rather expose them.” (Ephesians 5.11)*. It is important not only from a political standpoint but for the purposes of revival in the land. The Body of Christ is one. Let us all be IN AGREEMENT TOGETHER as we continue DECLARING and DECREERING for the Lord to have the victory and that He will hit the home run that is heard around the world, as darkness is exposed and overcome.

**FREEDOM FOR JESUS AND THE TRIUMPH OF HIS KINGDOM!**
